

Adjunct Professor Albert Gjedde
Inaugural seminar
"Translational neuropsychiatry and the challenge of medically unexplained symptoms of psychiatric disorders: Visions for a Danish Institute of Mental Health"

16 December 2016

13:30

The Auditorium, University of Southern Denmark
J.B. Winsloews Vej 25, 5000 Odense C

On the occasion of Albert Gjedde's appointment as Adjunct Professor of Translational Neuropsychiatric Research at the Department of Nuclear Medicine and Department of Clinical Research, the Faculty of Health Sciences hereby invites you to attend an inaugural seminar with the following program:

- 13.30-13.40 Introduction and welcome
Kirsten Ohm Kyvik, Head of Department of Clinical Research, University of Southern Denmark
- 13.40-14.30 *"The promise of molecular imaging in neuropsychiatry: Four decades of progress"*
Dean F. Wong, MD, PhD
Professor, Division of Nuclear Medicine, Department of Radiology and Radiological Sciences, Johns Hopkins Medical Institutions, Baltimore, MD, USA
- 14.30-15.15 *"The future challenges of translational neuropsychiatry in Denmark: On the neuropathological origins of medically unexplained symptoms in neuropsychiatry"*
Albert Gjedde, MD, DSc
Professor, Department of Neuroscience and Pharmacology, University of Copenhagen
- 15.15-15.30 Discussion and closing of the seminar

After the seminar, a reception will be held in the Café, J.B. Winsloews Vej 25, ground floor.

The Faculty of Health Sciences would like to invite all interested persons to attend the seminar and the succeeding reception.

If you wish to participate, please use the following link to register: <http://webpay.sdu.dk/system/16dec2016>

Deadline for registration is December 9th. Contact person is Charlotte Larsen: charlotte.larsen@rsyd.dk

Best regards,

Ole Skøtt
Dean
