

Adjunct professor Habib Zaidi

Inaugural Seminar
“Medical Molecular Imaging on the Path to Personalized Medicine”

31 August, 2015 from 14:00 hrs (CEST)
The Auditorium, University of Southern Denmark
Winsløwparken 25, DK-5000 Odense C

On the occasion of Habib Zaidi’s appointment as adjunct professor of medical physics and molecular imaging at the Department of Nuclear Medicine, Odense University Hospital (OUH) and at the University of Southern Denmark (SDU), the Faculty of Health Sciences hereby invites you to attend an inaugural seminar with the following program:

14:00-14:15 Introduction and welcome

Niels Marcussen, Professor, Vice Head of the Dept. of Clinical Research, SDU

Poul F. Høilund-Carlsen, Professor, Head of Research, Dept. of Nuclear Medicine, OUH

14:15-15:00 ***“New horizons in multimodality molecular imaging technology”***

Habib Zaidi, Professor, Head of PET Instrumentation and Neurosciences Laboratory (PinLab), Geneva University Hospital, University of Geneva, Switzerland

15:00-15:35 ***“Contributions from medical physics to nuclear medicine”***

Sören Mattsson, Senior Professor, Medical Radiation Physics, Lunds Universitet, Sweden

15:35-15:40 Summary

Habib Zaidi, Adjunct Professor, Dept. of Nuclear Medicine, OUH & SDU

15:40-15:45 Discussion and closure of the seminar

After the seminar a reception will be held in the hall outside the auditorium.

The Faculty of Health Sciences would like to invite all interested persons to attend the seminar and the succeeding reception.

If you wish to participate, we kindly ask you to register [here](#) no later than August 26, 2015.

For further information or questions please contact: charlotte.larsen@rsyd.dk

Best regards,

Ole Skøtt,
Dean
